### Other ways you can strengthen our outreach:

**Matching Gifts:** If you work for a company that offers a matching gift program, you double the impact of your gift by having your company match it. Check with your Human Resources Department.

**Gifts of Securities:** If you own stocks and bonds that have increased in value, there may be advantages in donating them to the American Watercolor Society. Your gift of securities may completely avoid capital gains taxes while entitling you to a tax deduction on the increased (present) value. Your tax advisor can give you details.
